I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the U.S. Environmental Protection Agency (“EPA”), has filed complaints against Dravo, LLC (“Settling Defendant”) pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, (CERCLA), as amended, seeking reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at Operable Unit 01 (“OU01”) and Operable Unit 19 (“OU19”) of the Hastings Groundwater Contamination Superfund Site in Hastings, Nebraska (“the Site”).

B. In response to the release or threatened release of hazardous substances at or from Operable Units 01 and 19 of the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake additional response actions in the future. Operable Unit 01 addresses groundwater contamination emanating from the manufacturing facility at 108 South Colorado Avenue. On September 30, 1991, EPA issued a Record of Decision (“ROD”) that selected an interim remedial action for OU01. On May 20, 1998, EPA amended the interim ROD for OU01. The goal of the interim remedy, as amended, is to reduce unacceptable risk from exposure to certain contaminants in groundwater by reducing the mass of volatile organic compound contamination within the groundwater plume. The methods for mass reduction includes extraction and treatment of contaminated groundwater (1991 Interim ROD) and in-situ treatment of contaminated groundwater (1998 Interim ROD Amendment). On March 30, 2020, EPA issued a Record of Decision that selected a final remedy for OU01. The final remedy combines institutional controls, groundwater extraction and treatment, and long-term monitoring to attain clean-up levels and ensure protectiveness. Operable Unit 19 is an “area-wide operable unit” that addresses residual groundwater contamination at the Site. On June 25, 2001, EPA issued a ROD that selected an interim remedy for OU19. The goal of the OU19 interim remedy is to restrict exposure to contaminated ground water through institutional controls until health-based levels are achieved within the designated Institutional Control Area. Implementation of the OU19 interim remedy is ongoing. A final remedy for OU19 is forthcoming.

C. In performing response action at Operable Units 01 and 19 of the Site, EPA has incurred response costs and will incur additional response costs in the future.

D. The United States filed a complaint in 2001 against Settling Defendant, along with other defendants, pursuant to Section 107 of CERCLA seeking reimbursement of response costs incurred by EPA for Operable Unit 01. *United States v. Dravo Corp., et al.*, civ. no. 8:01-cv-00500-JFB-TDT (D. Neb.), Doc. No. 1. The Court entered a consent decree on May 24, 2006 that requires, *inter alia*, Settling Defendant, along with other defendants, reimburse certain response costs and perform work selected by EPA as an interim remedy for OU01. Doc. No. 284. The United States also filed a complaint in 2003 pursuant to CERCLA seeking reimbursement of response costs incurred by EPA for Operable Unit 19 of the Site, *United States v. City of Hastings, et al.*, civ. no. 8:03-cv-00531 (D. Neb.), and the Court entered a consent decree that requires, *inter alia*, Settling Defendant, along with other defendants, make payments to EPA to fund work selected by EPA as an interim remedy for OU19. Doc. No. 8. This Consent Decree

resolves all claims against Settling Defendant pursuant to Section 107 of CERCLA for additional response costs that have been incurred or that will be incurred in the future by EPA for both Operable Units 01 and 19 of the Site.

E. The United States alleges that Settling Defendant is a responsible party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and is jointly and severally liable for response costs incurred and to be incurred at Operable Units 01 and 19 of the Site.

F. The defendant that has entered into this Consent Decree (“Settling Defendant”) does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

G. On July 5, 2018, Dravo, LLC filed a Certificate of Dissolution with the Pennsylvania Department of State, Bureau of Corporations and Charitable Organizations. Dravo, LLC provided notice of its dissolution to the EPA on July 9, 2018. EPA provided Dravo, LLC with a Notice of Claim on November 8, 2018, and updated its claim on June 15, 2020.

H. The United States has reviewed the Financial Information and Insurance Information submitted by Settling Defendant to determine whether Settling Defendant is financially able to pay response costs incurred and to be incurred at the Site. Based upon this Financial Information and Insurance Information, the United States has determined that Settling Defendant has limited financial ability to pay for response costs incurred and to be incurred at the Site and that the cash collateral securing the Irrevocable Standby Letter of Credit No.: 64628901 held by Comerica Bank (the “Letter of Credit”), which is to be used to fund Dravo’s payment required by this Consent Decree, is the only asset available for such purposes.

I. The United States and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter without further litigation and without the admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Settling Defendant. Solely for the purposes of this Consent Decree and the underlying complaint, Settling Defendant waives all objections and defenses that it may have to jurisdiction of the Court or to venue in this District. VI. PAYMENT OF RESPONSE COSTS

5. **Payment of Response Costs.** Settling Defendant shall pay to EPA the principal amount of \$1,439,336. The payment shall be made within 60 days after the Effective Date and, if timely paid, shall include no Interest.

6. Settling Defendant shall make payment at <https://www.pay.gov> in accordance with instructions provided to Settling Defendant by the Financial Litigation Unit (FLU) of the U.S. Attorney's Office for the District of Nebraska after the Effective Date. The payment instructions provided by the FLU will include a Consolidated Debt Collection System (CDCS) number, Site/Spill ID Number 07S2, and DJ Number 90-11-2-1260/9, which shall be used to identify all payments required to be made in accordance with this Consent Decree. Mary Colin, Treasurer

Pittsburgh, PA 15222
412.995.1521
MDColin@carmeuse.com

on behalf of Settling Defendant. Settling Defendant may change the individual to receive payment instructions on its behalf by providing written notice to DOJ and EPA of such change in accordance with Section XIV (Notices and Submissions).

7. **Deposit of Payment.** The total amount to be paid pursuant to Paragraph 5 (Payment of Response Costs) shall be deposited by EPA in the Hastings Groundwater Contamination Superfund Site Special Account to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

8. **Notice of Payment.** At the time of payment, Settling Defendant shall send to EPA and DOJ in accordance with Section XIV (Notices and Submissions), a notice of this payment including references to the CDCS Number, Site/Spill ID Number 07S2, and DJ Number 90-11-2-1260/9.

VII. FAILURE TO COMPLY WITH CONSENT DECREE

9. **Interest on Payments.** If Settling Defendant fails to make the payment required by Paragraph 5 (Payment of Response Costs) by the required due date, Interest shall accrue on the unpaid balance from the Effective Date through the date of payment.

10. Stipulated Penalty

a. If any amounts due to EPA under Paragraph 5 (Payment of Response Costs) are not paid by the required date, Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 9 (Interest on Payments), \$2,500 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. Settling Defendants shall make all payments at <https://www.pay.gov> in accordance with the procedures under Paragraph 6 and shall send notice of such payments in accordance with the procedures under Paragraph 8 (Notice of Payment).

Settling Defendants shall indicate in the comment field on the <https://www.pay.gov> payment form that the payment is for stipulated penalties.

c. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section VI (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

VIII. COVENANTS BY PLAINTIFF

14. Except as specifically provided in Section IX (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), regarding Operable Units 01 and 19 of the Site. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. These covenants are also conditioned upon the veracity and completeness of the Financial Information and the Insurance Information provided to EPA by Settling Defendant and the financial, insurance, and indemnity certification made by Settling Defendant in Paragraph 32. These covenants extend only to Settling Defendant and do not extend to any other person.

IX. RESERVATION OF RIGHTS BY UNITED STATES

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within Paragraph 14 (Covenants by Plaintiff). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;

- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendant when such ownership or operation commences after signature of this Consent Decree by Settling Defendant;
- e. liability based on Settling Defendant's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and
- f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

16. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information or the Insurance Information provided by Settling Defendant, or the financial, insurance, or indemnity certification made by Settling Defendant in Paragraph 32, is false or, in any material respect, inaccurate.

X. COVENANTS BY SETTLING DEFENDANT

17. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Operable Units 01 and 19 of the Site and this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with Operable Units 01 or 19 of the Site, including any claim under the United States Constitution, the Nebraska Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or
- c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law, relating to Operable Units 01 or 19 of the Site.

18. Except as provided in Paragraph 20 (claims against other PRPs) and Paragraph 255 (Res Judicata and other Defenses), these covenants shall not apply in the event the United States brings a cause of action or issues an order with respect to Operable Units 01 or 19 of the Site pursuant to any of the reservations set forth in Section IX (Reservations of Rights by United States), other than in Paragraph 15.a (liability for failure to meet a requirement of the Consent Decree) or 15.b (criminal liability), but only to the extent that Settling Defendant's

claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

20. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have for response costs relating to Operable Units 01 or 19 of the Site against any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to Operable Units 01 or 19 of the Site against such Settling Defendant.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION

21. Except as provided in Paragraph 20 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to Operable Units 01 and 19 of the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

22. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with Operable Units 01 and 19 of the Site, by the United States or any other person, except for the State; provided, however, that if the United States exercises rights under the reservations in Section IX (Reservations of Rights by United States), other than in Paragraphs 15.a (liability for failure to meet a requirement of Consent Decree) or 15.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

23. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes

a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

24. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

25. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VIII.

XII. ACCESS TO INFORMATION

26. Settling Defendant shall provide to EPA, upon request, copies of all records, reports, documents, and other information (including records, reports, documents and other information in electronic form) (hereinafter referred to as “Records”) within their possession or control or that of their contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information regarding the Site.

27. Privileged and Protected Claims

a. Settling Defendant may assert that all or part of a Record is privileged or protected as provided under federal law, provided it complies with Paragraph 27.b, and except as provided in Paragraph 27.c.

b. If Settling Defendant asserts a claim of privilege or protection, it shall provide Plaintiff with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record’s contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Defendant shall provide the Record to Plaintiff in redacted form to mask the privileged or protected information only. Settling Defendant shall retain all Records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in Settling Defendant’s favor.

c. Settling Defendant may make no claim of privilege or protection regarding:

- (1) any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Site; or
- (2) the portion of any Record that Settling Defendant is required to create or generate pursuant to this Consent Decree.

28. **Business Confidential Claims.** Settling Defendant may assert that all or part of a Record submitted to Plaintiff under this Section or Section XIII (Retention of Records) is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Settling Defendant shall segregate and clearly identify all Records or parts thereof submitted under this Consent Decree for which Settling Defendant asserts a business confidentiality claim. Records that Settling Defendant claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Settling Defendant that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Defendant.

29. Notwithstanding any provision of this Consent Decree, the United States retains all of its information gathering and inspection authorities and rights, including enforcement actions related thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

XIII. RETENTION OF RECORDS

30. Until 10 years after the Effective Date, Settling Defendant shall preserve and retain all non-identical copies of Records now in its possession or control, or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site, provided, however, that if Settling Defendant is potentially liable as an owner or operator of the Site, Settling Defendant must retain, in addition, all Records that relate to the liability of any other person under CERCLA with respect to the Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

31. After the conclusion of the record retention period, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, except as provided in Paragraph 27 (Privileged and Protected Claims), Settling Defendant shall deliver any such Records to EPA.

32. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has:

- a. not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State, and that it has fully complied

with any and all EPA and State requests for information regarding the Site and Settling Defendant's financial circumstances, including but not limited to insurance and indemnity information, pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law;

b. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to EPA and the time Settling Defendant executes this Consent Decree; and

c. fully disclosed the Insurance Information to EPA, and is not aware of any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site other than the Insurance Information.

34. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

XVI. INTEGRATION/APPENDICES

35. This Consent Decree and its appendices constitutes the final, complete and exclusive agreement and understanding between the Parties with respect to the settlement embodied in this Consent Decree.
